LIBERTY HORN CLUB

Liberty Horn Club (LHC) is a large French Horn choir, based in Philadelphia, open to horn players of all-ages and skill levels. LHC was created to provide an opportunity for horn players from amateurs, students, and professionals, to make music together and share our love for the horn. At our gatherings we will rehearse pieces for large horn ensemble, play orchestral and wind ensemble works featuring the horn, and welcome guest artists to present masterclasses for our community. Our goal will be to share performances as part of our Cornocopia concert series.

Liberty Horn Club is founded and hosted by Lyndsie Wilson, Adjunct Professor of Horn at Rowan University and active performer and educator in Philadelphia and Southern New Jersey

Liberty Horn Club meets every other Wednesday
6:00 p.m. - 8:30 p.m. beginning September 18, 2024.

Hosted at PYO Music Institute, 242 South 20th Street, Philadelphia PA, 19103
