

## PYOMI's Special Purpose Entity for Tax-Credit Giving

Participants of The Philadelphia Youth Music Education Fund (PYMEF) can advance PYOMI's mission while earning substantial state tax credits.

### Here's how to get involved:

#### Assess Your Tax Position

Consult with your accountant or financial advisor to determine your Pennsylvania state tax liability and decide on your contribution level.

#### Review and Sign Membership Agreement

Review the SPE Membership Agreement and Operating Agreement, which govern participation in the SPE LLC. As a participant, you become a member of our SPE LLC.

#### Submit Contribution

Provide a check for the full committed amount to PYMEF **no later than December 15, 2026**. This payment activates your participation in the SPE for that tax year.

#### Receive and File Tax Documents

After the calendar year closes, PYOMI will issue a Form K-1 to be included in your tax filing, which triggers the 90% tax credit.
